

MUNCIE POWER PRODUCTS

Product Bulletin #00128

Subject: Bent Axis Piston Pump Part Number Change

Date: September 23, 2024

URL: www.munciepower.com

As of September 13, 2024, our T Series Bent Axis Piston Pumps have a new part number assignment.

Please see the part number cross reference below:

| OLD PART NUMBER | NEW PART NUMBER |
|------------------------|------------------------|
| PT202521BRL | 24FXG025S00000 |
| PT204720NBRL | 24FXG047SS0000 |
| PT204720NBRR | 24FXG047DS0000 |
| PT206420NBRL | 24FXG064SS0000 |
| PT206420NBRR | 24FXG064DS0000 |
| PT208420NBRL | 24FXG084SS0000 |
| PT208420NBRR | 24FXG084DS0000 |
| PT210820NBRL | 24FXG108SS0000 |
| PT210820NBRR | 24FXG108DS0000 |

This is a part number change only. No design changes have been made.

New pump part numbers **DO NOT** include the pump mounting stud kit. That must now be purchased separately using P/N 20MKM401.
